

MegaRail db H2 · W4 · B

Technical Specifications (EN 1317 norm)

Containment Level	H2
Normalised working width [m]	1.2
Class of normalised working width	W4
Normalized dynamic deflection [m]	-
Normalised vehicle intrusion [m]	1.3
ASI	B
Class of vehicle intrusion IV	-
Construction height [m]	0.90
Construction width [m]	0.65
Post spacing [m]	1.33m
Tested system foundation / installation	Driven
Testing length [m]	60m
Weight per m [kg/m]	58.4 kg/m
Characteristic material of the system	S235JR
