

MegaRail ec 4.4

H2 · W4 · a

Technical Specifications (EN 1317 norm)

Containment Level	H2
Normalised working width [m]	1.10
Class of normalised working width	W4
Normalized dynamic deflection [m]	1.0
Normalised vehicle intrusion [m]	-
ASI	A
Class of vehicle intrusion IV	-
Construction height [m]	0.70
Construction width [m]	0.20
Post spacing [m]	1.33
Tested system foundation / installation	Driven
Testing length [m]	56m
Weight per m [kg/m]	-
Characteristic material of the system	S235JR
