

ESP Plus W1 N2 · W1 · B

Technical Specifications (EN 1317 norm)

Containment Level	N2
Normalised working width [m]	0.60
Class of normalised working width	W1
Normalized dynamic deflection [m]	0.50
Normalised vehicle intrusion [m]	-
ASI	B
Class of vehicle intrusion IV	-
Construction height [m]	0.75
Construction width [m]	0.18
Post spacing [m]	1.00m
Tested system foundation / installation	-
Testing length [m]	40
Weight per m [kg/m]	-
Characteristic material of the system	S235JR
