

Brista N2 · W4 · A

Technical Specifications (EN 1317 norm)

Containment Level	N2
Normalised working width [m]	1.3
Class of normalised working width	W4
Normalized dynamic deflection [m]	1.3
Normalised vehicle intrusion [m]	-
ASI	A
Class of vehicle intrusion IV	-
Construction height [m]	0.70
Construction width [m]	0.18
Post spacing [m]	4.0 c/c
Tested system foundation / installation	Driven
Testing length [m]	60m
Weight per m [kg/m]	11.50 kg/lm
Characteristic material of the system	S235JR
